***QUOTAS (maximum number of VIP packages per company)**

In order to maintain an appropriately-high level of representation, the organisers have introduced the following limits:

- If the delegation is headed by the company's CEO (president/general or managing director, chairman of the managing board or board of directors), the company can be represented by two participants assigned a VIP package (company CEO + a participant at the deputy CEO level);
 - If the delegation is not headed by the company's CEO, the company can be represented by one participant assigned a VIP package (at the deputy CEO level);
- The total number of VIP packages is limited to: 150 packages

COVID-19 PREVENTIVE MEASURES:

NEVA 2021 will be conducted in compliance with all of the necessary safety measures and recommendations issued by Rospotrebnadzor and the World Health Organization aimed at preventing the spread of COVID-19.
