## FACTS AND FIGURES

NEVA is the leading commercial maritime exhibition in Eastern Europe and the CIS, and one of the world's ten largest exhibitions in its field. The Exhibition showcases achievements and trends in development, manufacture, maintenance and modernization of marine and river facilities. It promotes both international transfer of technology and localization of shipbuilding including production of ship and port equipment and systems. Following an order of the government of the Russian Federation, the NEVA Exhibition & Conference has been held since 1991 with the support of the Ministry of Transport of the Russian Federation, the Ministry of Industry and Trade of the Russian Federation, the Ministry of Foreign Affairs of the Russian Federation, the Government of St Petersburg, the Government Marine Collegium, the Federal Agency for Fishery, the Chamber of Commerce and Industry of the Russian Federation and the Maritime Council of St Petersburg.

## EXHIBITION GOALS

- ⚓ To showcase progress in a wide range of sectors in the maritime industry and to facilitate the creation of close relationships and new business ties for robust long-term cooperation;
- ⚓ To provide a platform for presentation of major potential and currently available innovations in commercial maritime and river machinery and vessel development, production, procurement, maintenance, repairs and upgrading, to promote international technology transfer and demonstrate the benefits of relocating manufacturing facilities for shipbuilding, as well as deck and port equipment and systems production, into Russia;
- ⚓ To feature cutting edge innovative projects in shipbuilding development, new technologies in commercial vessels and maritime equipment production as well as in port modernization and shipping safety;
- ⚓ To facilitate integration in shipbuilding, promoting regional manufacturing hubs for shipbuilding and related industries and improving their competitiveness;
- ⚓ Facilitate communication among international exhibitors through matchmaking services, ensure a comfortable and efficient stay of exhibitors with supportive services from visa support to interpreter services.
