**THE 18TH INTERNATIONAL EXHIBITION
AND CONFERENCE FOR COMMERCIAL
SHIPPING, SHIPBUILDING, OFFSHORE
ENERGY, PORTS, INLAND WATERWAYS
AND OCEANOGRAPHY**

**EXHIBITOR STAND CONSTRUCTION SOLUTIONS
CATALOG NEVA 2025**

Dear exhibitor of NEVA 2025!

We are pleased to present to you a short catalog of exhibition solutions. Our goal is to help you create the most effective space for presenting your company and products at the upcoming exhibition.

We understand that each exhibitor has their own unique needs and budget. Therefore, we have developed options for booth construction that meet various requirements and possibilities:

- **Individual construction** – a unique exhibition space emphasizing the identity or the company;
- **RIMO** – a stylish design with additional options;
- **VINSON** – a functional booth with an optimal price-to-quality ratio;
- **Improved standard** – a practical solution for small booths.

Each option includes everything you need for successful participation in the exhibition, from basic furniture to utility rooms and decorative elements. We guarantee high quality materials and workmanship, as well as an individual approach to each client.

Read the detailed description of each type of construction and choose the one that best suits your goals and expectations.

If you have any questions or need help making a decision, our experienced managers will be happy to advise you and provide additional information.

We hope that our offer will help you prepare for the NEVA 2025 exhibition and achieve your business goals. Trust the construction of your booth to professionals and focus on the development and promotion of your business!

Sincerely,
The NEVA 2025 Team

TYPE 1

INDIVIDUAL CONSTRUCTION

This is the best solution for companies in the marine industry that want to stand out from the competition and impress visitors.

An individual approach, creative design, and high-quality materials will allow you to create a unique booth that reflects the corporate style and values of your company.

EXPOFORUM DESIGN

The official partner for the construction of the NEVA exhibition, EF-Design, has many years of experience and a professional team ready to bring even the boldest ideas to life. Cooperation with EF-Design guarantees impeccable quality of execution, compliance with all technical requirements, and timely project implementation.

Entrust the creation of your exclusive booth to the professionals at EF-Design and become a standout feature of the NEVA 2025 exhibition. Your success is our greatest reward.

TYPE 1

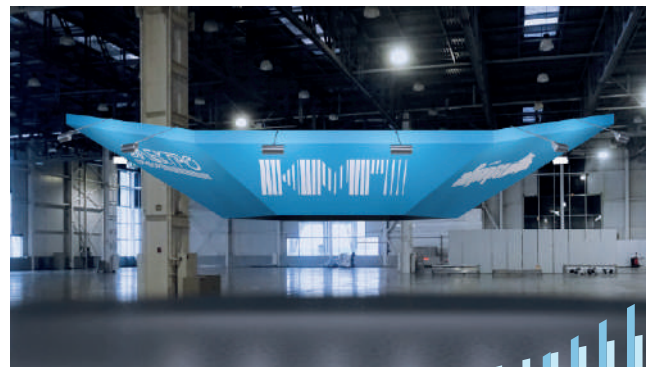

INDIVIDUAL CONSTRUCTION

Example of EF-Design's work for a participant of the NEVA 2023 exhibition
Design project of the booth of KMP JSC.

- Area 360 m²;
- Island configuration (20 x 18 m);
- Location on the central line of pavilion F.

Individual development includes:

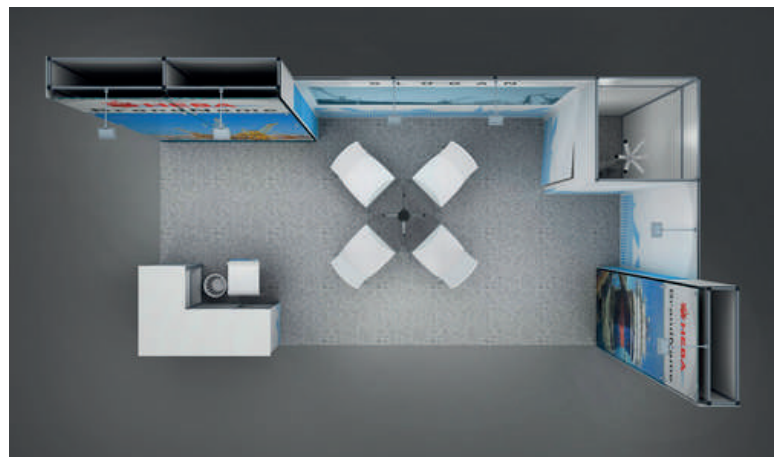

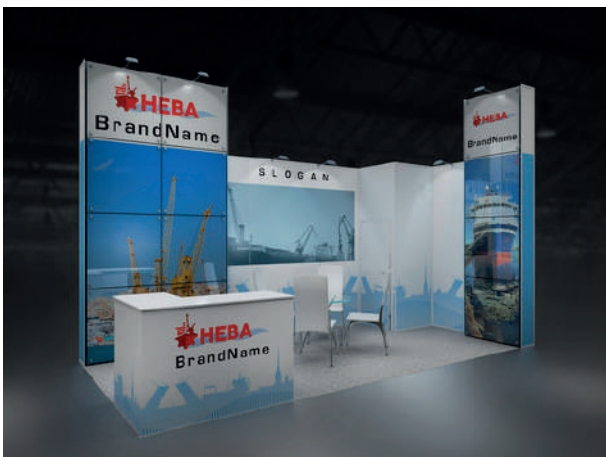

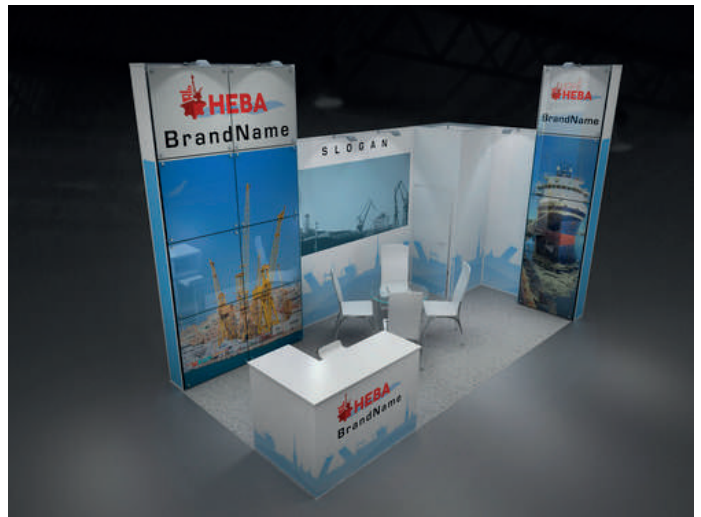

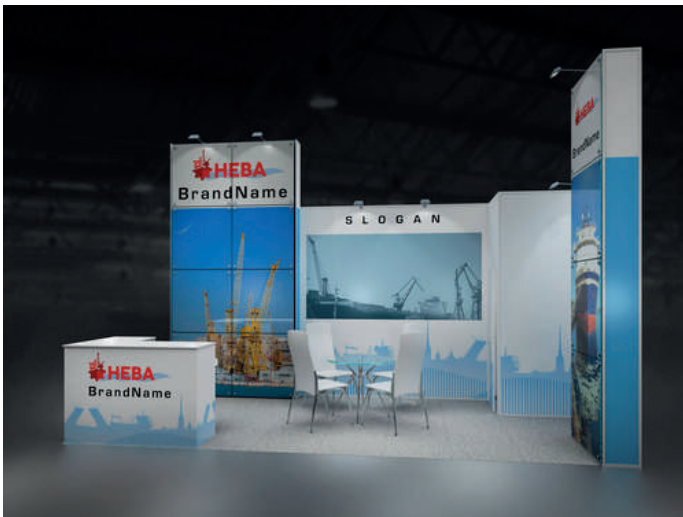

- concept development and preparation of a booth layout in 3D graphics;
- preparation and approval of design documentation;
- assembly and dismantling of the exhibition booth, control and author supervision.

TYPE 2

RIMO

Stylish design with decorative elements and a utility room.
The best choice for companies that want to stand out.

The height of the walls around the booth is 3 m. Decorative elements are "Pylons" with 1 x 1 m glass on crabs. The height of the pylons is 4 m. The project does not imply the installation of a media screen: the photo on the wall is printed on a banner.

TYPE 2

RIMO

EQUIPMENT (12 m² - 36 m²):

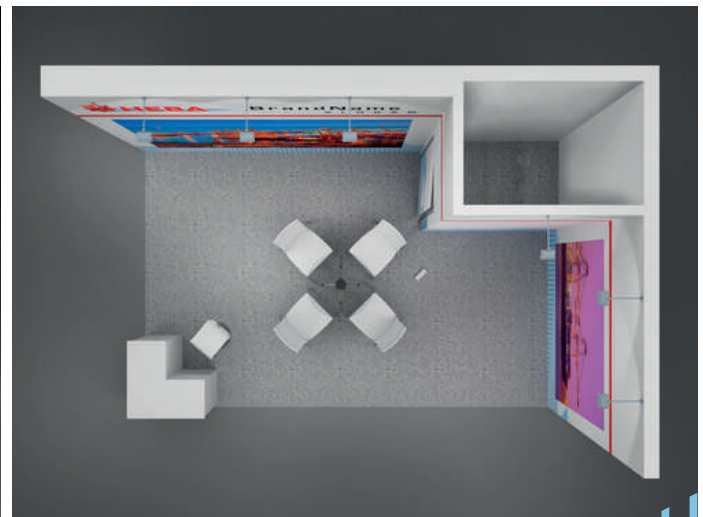

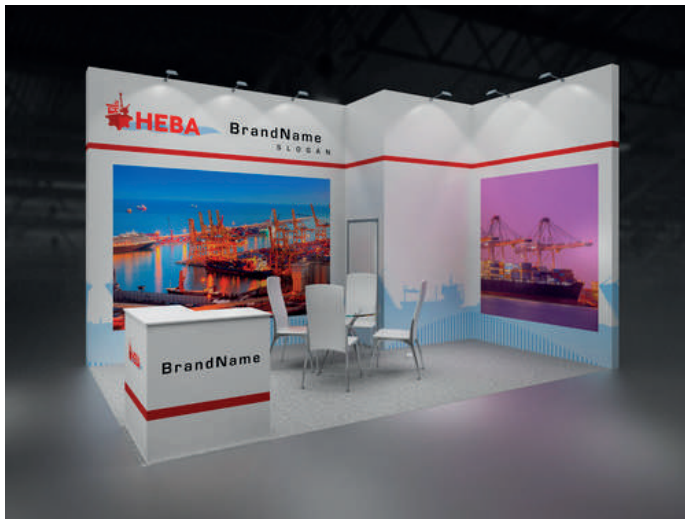

- Carpet;
- Utility room with a hinged door with a lock 100 x 200 h – 1 pc.;
- Walls with banner decoration on the front side around the booth perimeter according to the Customer's layouts;
- Glass 1 x 1 m (pylons with glass hanging and full-color printing according to the Customer's layouts);
- Information bar corner info counter 150 x 100 x 50 x 110 h with laminated chipboard hanging and full-color printing on the facade according to the Customer's layouts;
- Glass table Ø90 x 75 h - 1 pc.;
- Chair 50 W x 50 L white leatherette / chrome - 4 pcs.;
- White bar stool - 1 pc.;
- Socket 220V; up to 1.5 kW SCHUKO "Eurostandard", triple - 1 pc.;
- SPOT lamp on console - 6 pcs.;
- Floor hanger - 1 pc.;
- Waste paper basket - 1 pc.

Cost of the booth per m² 478 € (including VAT)

TYPE 3

VINSON

Functional booth with a utility room and a corner counter. Reasonable balance of price and capabilities for convenient work at the exhibition.

The height of the walls around the booth's perimeter is 4 m. The project does not imply the installation of a media screen: the photo on the wall is printed on a banner.

TYPE 3

VINSON

EQUIPMENT (12 m² - 36 m²):

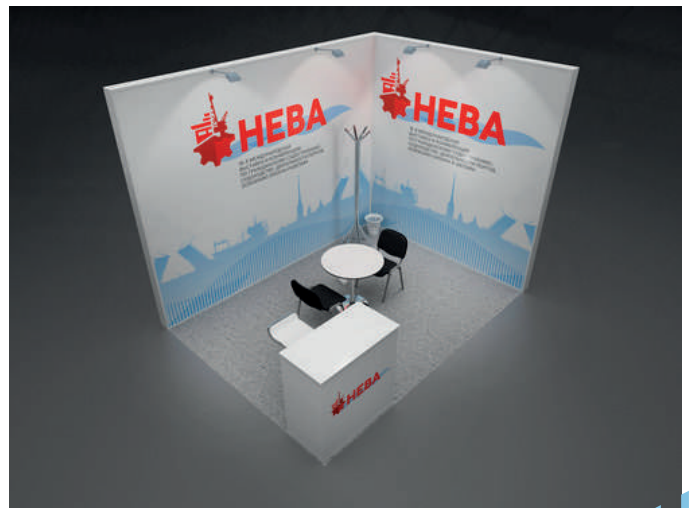

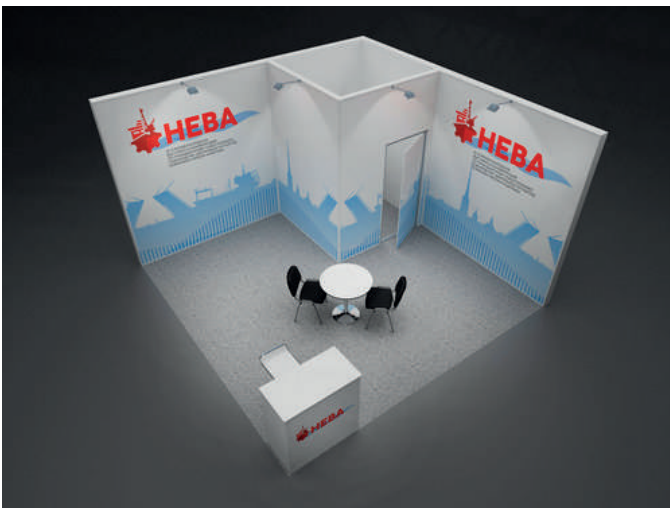

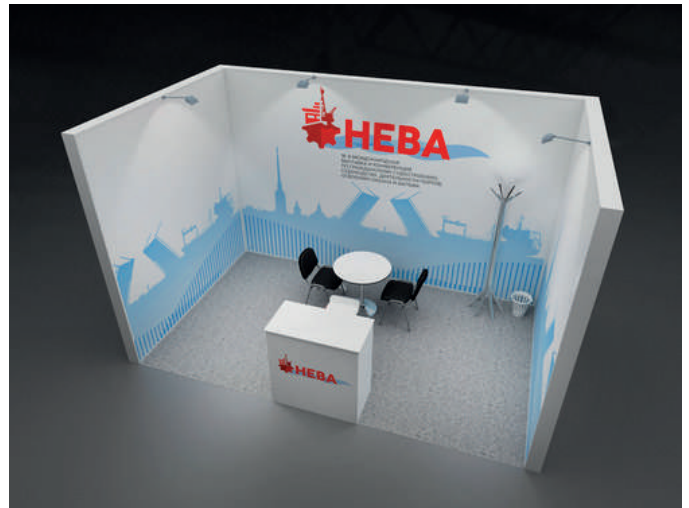

- Carpet;
- Hinged door with a lock 100 x 200 h - 1 pc.;
- Walls with banner decoration on the front side around the perimeter of the booth according to the Customer's layouts;
- Utility room;
- Information bar corner info counter 100 x 100 x 50 x 110 h with laminated chipboard hanging and full-color printing on the facade according to the Customer's layouts;
- Glass table Ø90 x 75 h – 1 pc.;
- Chair 50 W x 50 L white leatherette/chrome – 4 pcs.;
- White bar stool – 1 pc.;
- Socket 220V; up to 1.5 kW SCHUKO "Eurostandard", triple – 1 pc.;
- Spotlight on console – 6 pcs.;
- Floor hanger – 1 pc.;
- Waste paper basket – 1 pc.

Cost of the booth per m² 417 € (including VAT)

TYPE 4

IMPROVED STANDART

A budget and practical solution that includes everything you need to present your company. Suitable for small booths.

Height of the walls around the booth perimeter – 3 m

TYPE 4

IMPROVED STANDART

EQUIPMENT (12 m² - 25 m²):

- Carpet;
- Swing door with lock 100 x 200 h – 1 pc. (for a booth of at least 24 sq. m.);
- Walls with banner decoration on the front side around the booth perimeter according to the Customer's layouts;
- Information bar counter 50 x 100 x 110 h with laminated chipboard hanging and full-color printing on the facade according to the Customer's layouts;
- Round table D80 x 75 h or square 80 x 80 x 75 h – 1 pc.;
- Chair 53 W x 53 L soft (ISO, fabric/chrome legs) – 2 pcs.;
- White bar stool – 1 pc.;
- Socket 220V; up to 1.5 kW SCHUKO "Eurostandard", triple – 1 pc.;
- SPOT lamp on console – 4 pcs.;
- Floor hanger – 1 pc.;
- Waste paper basket – 1 pc.

Cost of the booth per m² 307 € (including VAT)
